Profile

Shoe-sponsor: [On running](#)

Githuku is one of the run2gether pioneers. His warmhearted and courteous personality makes him irreplaceable for his team-mates and the guests in Austria and Kenya. He was born and raised in Kiambogo, the place where run2gether is based in Kenya. Githuku's diligence and his performance in training - besides his work for the run2gether Mt. Longonot Sports and Recreational Centre - gave him the opportunity to be part of our summer team for the second time. This year's results show that he still can keep up with the young one's.
