Profile

Shoe-sponsor: [On running](#)

Junior - how his friends are calling him – became member of our team in 2018. His very good performances in training at our camp in Kenya opened the door to his first competitions in the run2gether dress in July 2018 in Europe. His very quiet but always friendly personality made him popular to our guests at our Summer Camp in Austria! We are very pleased to welcome him in our team also in 2019!
